# Jacob's Road Invitation Worksheet

Your event is important to us. We are honored that you are considering making us a part of what God is doing through this event.
The point of this exercise is to gather some basic info about what you're planning, what your expectations are, and to establish a starting point for how we can begin to fit into that picture. Please be as specific as possible, as it really will give us some valuable direction.
We sincerely hope to partner alongside you in ministry, and we can't wait to see what God has planned for all of us!
